Our Story

In 2014 Now And Not Yet opened it's doors in beautiful leafy Warrandyte with the goal to use our social enterprise cafe to support & assist the Warrandyte community. We put the profits generated by the cafe into local groups and we entirely fund our own in-house employment & volunteer program. We are also passionate about supporting people seeking asylum so provide housing and employment opportunities for asylum seekers.

We serve breakfast and lunch daily. On select Saturdays we hold live music sessions and Tamil feast nights. We also host private occasions and corporate functions tailored to suit.

*We love what we do and we hope you do to.
Have an amazing day!
